Description & Specifications

Used boat

Designed and built in Ostrobothnia, Finland, Grandezza motor boats are highly regarded by sailors across Europe. The incomparable design combined with the finest craftsmanship and precision in every detail make the Grandezza the perfect companion for prestigious times at sea. Come on board and enjoy the seas with grandeur. The Grandezza 28 OC is a sports cruiser that combines sporty looks, practical details and excellent performance with maximum comfort. The cockpit dinette offers plenty of space for several people. Below you will find a generous storage space that can also be opened without removing the cushions. The cabin impresses with its open design, including two separate double sleeping berths, a

separate toilet / shower cubicle and ample storage space. A cabin boat with extensive standard equipment such as: GPS with chart plotter, diesel heating (Webasto), aft deck parts, refrigerator in the cockpit, teak flooring on the bathing platform and much more.

The standard motorization of the Grandezza is a Mercruiser 6.2L-350 Seacore DTS EC Bravo 3rd solar system 350 hp engine is a MUST, the boat needs this power because of the weight!

Meticulously maintained boat

EU taxed
