Description & Specifications

Used boat

Beautiful Estensi Maine 530 trawler with full equipment, generator Kohler 6.5 KW, first launch in 2007, 5 solar panels, seawater desalination....radar,echo,plotter new 2016....etc...2016 a new multifunctional GARMIN radar / eco / plot was installed, in the main and flight station, in addition to the autopilot also with remote control In 2021, the Schenker watermaker was replaced again, a model that allows 12V operation. The boat has 5 flexible photovoltaic panels that deliver approximately 200 watts / hour, connected to a battery charger.

However, the installation is temporary and requires an intervention to make it permanent.

The fire extinguishing system with HFC227 e was installed in 2020. This type of extinguishing mixture does not require regular replacement and refilling. In addition, in the event of an intervention, it does not damage and destroy the machine room with dust.

The engines are 2 FPT (IVECO) N60ENT M40 of 400hp each.

There is a TV system with satellite antenna, but it was never used.

Fridge on fly.

Security certificate valid until 07/23/2025.

The boat was registered in 2006 but is first launched in 2007..2023 The WRAP coating has been removed and the boat is delivered with hull repainted, included in the price. The batteries are all new. In addition, the aft platform will have a new cork surface..verhailed propellers axles, axle guide bushing and new axle seal..All new: Axle bushings, axle stuffing box, stern botrust. Propellers and axles overhauled to new factory condition. With invoices....Radar, Garmin plotter changed 4 years ago.

Change of engine and generator pump impellers, oil and filter, post fire, compression. Official FTP...NEW 2024 engine service, the ship is ready for the season ...
